

Qualification Statement on Founding Documents and Governance

Reference W3-FD-04 · Dated and stamped 13 March 2025

Qualification statement

The founding documents and governance framework of the W3 Foundation are in place, subject to the finalisation of the two estates of Williams and Wood. In the interim, Dr George Woods has exercised their wishes in terms of charitable contributions.

Statement

The founding documents and governance framework of the W3 Foundation are in place, subject to the finalisation of the two estates of Williams and Wood. In the interim, Dr George Woods has exercised their wishes in terms of charitable contributions.

Accordingly, the constitutional and governance instruments of the W3 Foundation should be read as effective in substance and operative in practice, while remaining subject to variation, ratification or restatement upon conclusion of the estate administration in each case.

Interim position

All charitable contributions made during the interim period are recorded, evidenced and reported, and are made in accordance with the charitable wishes of Sophia Wood and Kevin Williams as exercised by Dr George Woods.

No representation is made that the endowment arrangements are final. On finalisation of the estates, the founding documents will be reviewed and, where necessary, restated and re-executed.

Date of record

This statement is dated and stamped 13 March 2025.
